Delmarko™

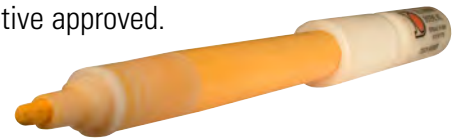

Industrial Contact Marking System

Dell Marking Systems has redefined the industrial marking pen with the introduction of the DelMarko series of refillable industrial marking pens.

Extremely flexible, the DelMarko is available in 24 stock colors, and unlimited selection of formulations and colors, or Dell can formulate ink to meet your particular requirements. Dell provides complete marking system design-and-build services and formulates workplace safe, low VOC, pigmented and non-pigmented inks. Dell inks are automotive approved.

The DelMarko can be incorporated with contact marker holders for use in automatic applications.

"If you can make it – we can mark it."

Send us your part and print for a no obligation evaluation.

Available in two sizes:

Delmarko 10ml

Grande 15ml
